About us

The idea to start up this company has long been something rooted in the founder's conscience, seeing the youth of Cape Town stuck in street corners finally forced him to step in and initiate the leading role, someone had to do something, and Patisanani, which in actual fact means "Carry the burden together", was conceived.

Patisanani (Pty) Ltd is a South African umbrella company registered 2020 with the main purpose of serving humanity. With the world moving at fast pace towards the fourth industrial revolution we decided to join the business world and develop with it as it is quite obvious the world is entering a new phase.

Our company has always had it's finger on innovation and technology to make it a point we provide exceptional service to our clients. We believe we have a potential of acting a key role in ushering the very much needed change by bringing in relief and more employment opportunities for our unemployed youth, and become a major contributor to the national economy.

COMPANY SCOPE OF WORK

Our main focus at the moment is primarily the Technical space; small to large scale Construction, road works, fencing, general supply of mechanical, electrical and electronic equipment Cleaning (From retail to industrial cleaning) etc.

As a black business fully owned by a black man we feel like this is one of the least explored industries and we believe we have gathered a whole lot of experience that we are willing to share to develop our communities.

OUR MISSION

- To build exceptional relationship with customers and clients.
- To provide positive contribution to the country's economy.
- To improve socio-economic imbalances among the different races.

VISION

- To provide employment opportunities to newly graduated, from colleges and matriculants.
- To provide employment opportunities for the under privileged youth, and alleviate poverty among the black and colored communities.

VALUES

- Honesty and transparency.
- fair pricing and ethical competition.
- Corruption-free business environment.
